 - i. install the Software on any number of Computers on Licensee’s Private Network;
 - ii. designate a System Administrator to manage and control Licensee’s, and authorized End Users’ use of the Software; and

- iii. use, and grant End Users the right to use the Software (and any ancillary services made available hereunder) on Licensee's Private Network solely for (a) uploading, storing and executing Models, (b) designing and performing experiments with the Models, such as simulation, scenario comparison, optimization, parameter variation, or sensitivity analysis, (c) obtaining and exporting Model Outputs and inputs, (d) viewing and interacting with Model animations, (e) customizing experiment dashboards, (f) embedding animations of Models hosted on the Software within third party sites, (g) controlling access to the Models, (h) invoking execution of Models uploaded to the Private Network by using the Software's API, (i) including execution of Models hosted on the Private Network into custom data workflows using the Software's API, and (j) accessing arbitrary external resources from the Models (collectively, the "**Licensed Rights**"), subject to the terms and conditions of this Agreement and any associated Documentation (including any restrictions set forth on www.anylogic.com).
- b. **Grant of Rights to End Users.** As long as End User obtained access to the Software from Licensee pursuant to Section 1g of this Agreement, and as long as End User complies with the terms of this Agreement, AnyLogic grants End User a limited, non-exclusive, non-transferable, royalty free, revocable license to exercise the same Licensed Rights to use the Software that are granted to Licensees in Section 2.b.iii of this Agreement.
- c. **Restrictions on Use** – Applicable to Licensee and End Users. Except as otherwise set forth herein, Licensee and/or End Users shall not directly or indirectly:
 - i. Install the Software or execute Models uploaded to the Software on any non-Licensee owned or leased Computers (as that term is defined herein);
 - ii. modify the Software or create any derivative works thereof;
 - iii. sell, license, sublicense, transfer, distribute, assign, pledge or otherwise commercially exploit or make available to any third party the Software without AnyLogic's express written permission and subject to the terms of any applicable sublicensing agreement;
 - iv. grant any sublicense or other rights to the Software, or permit access to the same, by any user other than authorized End Users;

- d. **No Commercialization.** Without limiting any of the above restrictions and limitations, for the avoidance of doubt, Licensee and/or End Users shall not, directly or indirectly, charge a fee or fees to any other End User for access to or use of the Software or any Models made available therein without AnyLogic's prior written consent. By way of example only and without limiting such prohibitions, Licensee may not develop a product or services that uses the

Software (or any Models made available therein) for which Licensee charges a third-party person access to or use of said product or service without first obtaining AnyLogic's prior written approval (and subject to any additional fees AnyLogic may impose).

- e. **Application and Reservation of Rights.** Notwithstanding anything to the foregoing, the Licensed Rights for the Software shall apply to each release of the Software that AnyLogic provides to Licensee pursuant to the Agreement. The Software may not be used or shared with any individual or entity that is not an authorized End User without AnyLogic's prior written consent or pursuant to a separate agreement with AnyLogic. AnyLogic reserves all rights with respect to the Software not otherwise expressly granted to Licensee and/or End Users pursuant to this Agreement, including without limitation all Intellectual Property Rights thereto.

3. Intellectual Property Rights

- a. **AnyLogic IP.** AnyLogic and its suppliers retain the ownership of all right, title and interest in and to the Software, Documentation, Trademarks, AnyLogic Materials, and all Intellectual Property Rights embodied in the foregoing, including rights to any and all developments of and enhancements to the Software. AnyLogic specifically retains ownership of the Software as embodied within any Models. Licensee and/or End User agrees that it will not claim or assert title to the Software or attempt to transfer any title to any other third parties, nor will Licensee and/or End User grant access to the Software to any individual or third party except as allowed herein. Licensee and/or End User shall take no action, which may adversely affect or impair AnyLogic's ownership of such materials and rights. All rights in and to the Software and AnyLogic Materials not expressly granted in this Agreement are reserved by AnyLogic.
- b. **AnyLogic's Trademarks.** In connection with Licensee's activities authorized pursuant to this Agreement, Licensee is granted a non-transferable, non-exclusive right to use the Trademarks solely to identify the Software and associated services of AnyLogic rendered under this Agreement or otherwise in accordance with instructions given from time to time by AnyLogic. Licensee shall not attach any additional trademarks, service marks, or trade names to the Software and shall not use AnyLogic's trademarks as part of Licensee's trademarks, service marks or trade names or in any other manner that would tend to imply that Licensee has an affiliation with AnyLogic other than as set forth in this Agreement.
- c. **Licensee Data.** Licensee shall own all right, title, and interest in and to the Licensee Data. Licensee shall be responsible for storing and/or exporting any Licensee Data. Licensee is responsible for exporting and saving any Licensee Data. In the event Licensee deletes a Model from their Private Network, all related Model Outputs and Licensee Data is deleted as well. Upon termination of this Agreement for any reason and Licensee's deletion of the Software from the Private Network (and all associated Computers), all Licensee Data, including Model Outputs, stored in Licensee's Private Network shall be deleted without liability to AnyLogic.

4. Injunctive Relief

Licensee and/or End User agree that money damages will not be an adequate remedy if Licensee and/or End User breaches Sections 2 or 3 of this Agreement. Therefore, AnyLogic will be entitled to an injunction or similar equitable relief. This Section 4 in no way limits AnyLogic's ability to pursue any other legal or equitable remedies.

5. Licensing Fee

In consideration for the License granted hereunder, Licensee shall pay to AnyLogic or an authorized distributor, as applicable, the fee indicated in the applicable invoice or purchase order (the “Licensing Fee”), pursuant to the terms of said invoice or purchase order.

6. Maintenance and Support

- a. **Overview.** During the Initial Support Term and any Extended Support Term (as defined below), AnyLogic shall provide all software and customer support related to the Software to the Licensee (as described further in this Section 6(a), the “Maintenance & Support”). With Maintenance & Support, in order to report a problem or request support for any errors Licensee experiences with the Software, Licensee may access the “Get Support” menu item available in the web interface of the Software. At AnyLogic’s discretion, error corrections may take the form of a short-term work-around, Documentation update, maintenance on the Software, or a longer-term software correction provided in an upgraded release of the Software (by AnyLogic to Licensee), depending upon AnyLogic’s determination of the severity of the problem and/or the complexity of the solution. All items delivered by AnyLogic in providing such support and Software updates shall be deemed part of the applicable Software and shall be subject to all terms and conditions of this Agreement.
- b. **Maintenance Term.** Licensee’s initial purchase of the Software license provided hereunder includes one (1) year of maintenance and support (the “Initial Support Term”). Following expiration of the Initial Support Term, Licensee may purchase continued Maintenance & Support in additional one (1) year terms (each, an “Extended Support Term”). Licensee and its End Users may also continue using the Software pursuant to this Agreement without purchasing an Extended Support Term; however, Licensee will not receive support or upgrades to the Software without purchasing an Extended Support Term. AnyLogic’s fees for Maintenance & Support during an Extended Support Term are available upon request.
- c. **No Extended Support.** AnyLogic does not require Licensee to purchase consecutive Extended Support Terms. However, in the event Licensee goes two (2) full years without purchasing an Extended Support Term, then Licensee will be required to pay the full license price for the Software in order to receive renewed access to AnyLogic’s Maintenance & Support.
- d. **Discontinuing Maintenance & Support.** AnyLogic reserves the right to discontinue Maintenance & Support services for older versions of the Software at any time, even if Licensee has an active Maintenance & Support contract.

7. Modifications of Software

AnyLogic expressly reserves the right to make additions, deletions, and/or revisions to the Software. Except as otherwise specified by AnyLogic, AnyLogic will make any updates and upgrades to the Software (as AnyLogic communicates to Licensee) available to Licensee’s who have active Maintenance & Support services (pursuant to Section 6) when they become commercially available. No such changes will alter either Licensee’s or AnyLogic’s rights and obligations under this Agreement, or any revised agreement that may be provided by AnyLogic in its sole discretion with updated versions of the Software, which would then control Licensee’s use of the updated Software. AnyLogic further reserves the right to modify or vary particular aspects of the Software in the future due to changing conditions

and circumstances in markets, economies, demographics, competition, and governing laws. Licensee and/or End User agrees that AnyLogic shall not be liable to you or to any third party for any modification or discontinuance of any portion of the Software.

8. Evaluation License

If Licensee was provided with a copy of the Software for evaluation purposes, AnyLogic grants to Licensee and the authorized End Users a non-exclusive, non-transferable limited internal use license to the Software for evaluation purposes only (the "Evaluation License"). AnyLogic explicitly prohibits the use of any Model Output obtained through using the Software under the Evaluation License for any purposes, whether for commercial or non-commercial uses, other than Software evaluation. If Software is acceptable, Licensee agrees to promptly notify AnyLogic and pay the applicable Licensing Fee for the full Software license provided hereunder.

9. Term and Termination.

- a. **Term.** This Agreement shall be effective upon Licensee's purchase and activation of the Software (or End User's authorized use of the Software) and shall continue until terminated as provided herein (the "Term").
- b. **Evaluation License.** If Licensee was provided a copy of the Software for evaluation purposes, unless otherwise agreed to in writing by AnyLogic, the Evaluation License term shall be for a period of thirty (30) days, commencing upon the date of requesting evaluation unlock key for the Software, to evaluate the Software. The Software automatically disables itself upon expiration of the Evaluation License.
- c. **Termination.** Licensee and/or End User may terminate this Agreement at any time by ceasing to use the Software and complying with requirements set forth in Section 10 hereof. AnyLogic may terminate this Agreement immediately without notice if Licensee or its End Users fail to comply with any provision of this Agreement. Unless terminated by either party, this Agreement shall remain in effect.

10. Effect of Termination

Upon termination of this Agreement for any reason:

- a. **Software Usage.** Upon termination of this Agreement for any reason, Licensee and all End Users shall immediately cease using the Software.
- b. **Deletion of Software and Associated Accounts.** Upon termination of this Agreement or an Evaluation License for any reason, Licensee shall immediately delete and remove the Software from its Private Network and all Computers, return or destroy all copies of the Software (including the original) to AnyLogic, and shall return or destroy the activation key(s), if any.
- c. **Limitation of Liability Upon Termination.** Except as expressly set forth herein, AnyLogic shall not incur any liability whatsoever for any damage, loss, or expenses of any kind suffered or incurred by Licensee or its End Users arising from or incident to any termination or cancellation of this Agreement by either party which complies with the terms of this Agreement, whether or not Licensee or End User is aware of any such damage, loss, or expenses.

- d. **Survival.** Sections of this Agreement which shall survive the termination or expiration of this Agreement include, but are not limited to Sections 2, 3, 4, 5, 6, 9, 10, and 13 – 22.

11. Equipment

Licensee shall be solely responsible for providing, maintaining, and ensuring compatibility with the Software, all hardware, software, electrical and other physical requirements for its and its End Users' use of the Software including, without limitation, telecommunications and Internet connection(s) (i.e. Private Network), ISP, web browsers and/or other equipment, programs and services required to access and use the Software.

12. Licensee's Business Practices

Licensee and End Users shall (a) comply with all applicable laws and regulations, including the United States Foreign Corrupt Practices Act, (b) avoid deceptive, misleading or unethical practices, and (c) conduct business in a manner that reflects favorably at all times on the Software and AnyLogic's goodwill and reputation.

13. Indemnification

Licensee and any End User agrees to defend, indemnify, and hold harmless AnyLogic and any parent, subsidiary, affiliate, director, officer, employee, licensor, distributor, supplier, agent, reseller, owner, or operator of AnyLogic from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, and expenses (including but not limited to attorney's fees) arising from: (i) Licensee's or End User's use of the Software or AnyLogic Materials; (ii) Licensee's or End User's violation of any term of this Agreement; (iii) Licensee's or End User's violation of any third party right; (iv) any claims brought by End Users; or (v) any claim that Licensee's or its End User's use of the Software, Models, or AnyLogic Materials caused damage to a third party.

14. Confidential Information.

- a. **Definition and Non-Disclosure.** All information, knowledge or know-how concerning any of the unique features or characteristics of the Software, the methods of operation of the licensed technology hereunder, implementation of the Software, AnyLogic's pricing terms, or any other confidential information disclosed to Licensee by AnyLogic (collectively, AnyLogic's "Confidential Information") is valuable, proprietary information of AnyLogic and an integral part of the AnyLogic Materials, and must be kept strictly confidential to the fullest extent possible, both during and after the term of this Agreement. Licensee and End User therefore understands and agrees that it shall not, during the term of this Agreement or thereafter without AnyLogic's prior written consent, communicate, divulge or use for the benefit of any other person, persons, partnership, association, corporation or other entity any Confidential Information of AnyLogic which may be communicated to Licensee and/or End User, or of which Licensee and/or End User may be apprised, by virtue of Licensee's and/or End User's operations under the terms of this Agreement. In furtherance of these obligations, Licensee and End User shall maintain all Confidential Information in a secure location accessible only to those having a legitimate need for access and who have signed a separate confidentiality agreement in a form reasonably acceptable to both Licensee and AnyLogic. Licensee and End User further warrants, covenants, and agrees that it will use the Confidential Information for the benefit of Licensee and in connection with the operation of the Software, and shall

protect such Confidential Information and trade secrets from unauthorized disclosure. Licensee and End User shall bear the responsibility for any breaches of confidentiality by its End Users, employees or consultants.

- b. **Return.** Upon the termination of this Agreement, Licensee and/or End User shall return to AnyLogic all confidential manuals, supplements, and updates thereto and any other material furnished to Licensee under and pursuant to this Agreement, and shall permanently and completely discontinue all use of AnyLogic's Confidential Information.
- c. **Survival.** The parties acknowledge and agree that the foregoing obligations shall survive any termination or expiration of this Agreement.

15. Representations and Warranties

The parties hereby represent and warrant that: (i) each party has the legal right and authority to enter into this agreement; (ii) each party's performance and the rights granted to the other party hereunder shall not conflict with or violate any commitment or agreement that a party has to any other person or entity; (iii) each party shall perform its duties fully and to the best of its abilities; and (iv) the materials provided by one party to the other party shall not violate any law nor infringe upon nor violate any rights of any person, firm, corporation or entity including, but not limited to, the right of privacy, right of publicity, or the right against libel or slander.

16. Limited Software Warranty

AnyLogic only warrants that the Software will perform substantially as set forth in the Documentation within 90 days from the date on which Licensee is granted a license so long as no modifications have been made to the Software. If the Software fails to substantially perform within the first 90 days, Licensee will be entitled to a replacement or a refund. AnyLogic makes no other warranties with respect to the Software.

17. Disclaimer

THE SOFTWARE AND ANY ANYLOGIC MATERIALS FURNISHED BY ANYLOGIC UNDER THIS AGREEMENT ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT ANY WARRANTIES OR REPRESENTATIONS EXPRESS, IMPLIED OR STATUTORY; INCLUDING, WITHOUT LIMITATION, WARRANTIES OF QUALITY, PERFORMANCE, TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ANYLOGIC DOES NOT WARRANT THAT THE SOFTWARE AND ANY ANYLOGIC MATERIALS WILL MEET LICENSEE'S OR ITS END USER'S NEEDS OR REQUIREMENTS, OR THAT THE OPERATION OF THE SOFTWARE AND ANY ANYLOGIC MATERIALS WILL BE ERROR FREE. ANY WARRANTIES IMPLIED BY LAW, BY THE COURSE OF DEALING BETWEEN THE PARTIES, OR OTHERWISE, ARE HEREBY EXCLUDED TO THE FULLEST EXTENT PERMITTED BY LAW. ANYLOGIC DOES NOT WARRANT THAT THE USE OF THE SOFTWARE ALLOWED HEREUNDER SHALL RESULT IN ANY PARTICULAR LEVEL OR TYPE OF FINANCIAL RESULTS FOR LICENSEE OR ITS END USERS. MOREOVER, ANYLOGIC SPECIFICALLY DISCLAIMS ANY AND ALL LIABILITY WITH RESPECT TO END USERS' USE OF THE SOFTWARE, MODELS OR RELIANCE ON ANY MODEL OUTPUT BY END USERS. THE FOREGOING EXCLUSIONS AND DISCLAIMERS ARE AN ESSENTIAL PART OF THIS AGREEMENT AND FORMED THE BASIS FOR DETERMINING THE CONSIDERATION CHARGED FOR THE LICENSES AND OPPORTUNITIES PROVIDED HEREUNDER.

18. Limitation of Liability

LICENSEE AND END USERS AGREE THAT ANYLOGIC SHALL NOT BE LIABLE TO LICENSEE, END USERS, OR ANY OTHER PERSON, ENTITY, ORGANIZATION OR OTHERWISE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, INDIRECT, ECONOMIC, EXEMPLARY, AGGRAVATED OR PUNITIVE DAMAGES WHATSOEVER (INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOSS OF BUSINESS OR PERSONAL PROFITS OR REVENUE, FAILURE TO REALIZE EXPECTED SAVINGS, LOSS OF BUSINESS OR INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR THE USE OF OR INABILITY TO USE THE SOFTWARE, MODELS, THE PRIVATE NETWORK OR INTERNET IN GENERAL, EVEN IF THE PARTIES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH DAMAGES WERE FORESEEABLE. IN NO EVENT WILL THE AGGREGATE LIABILITY OF ANYLOGIC ARISING OUT OF THIS AGREEMENT EXCEED THE LICENSING FEE PAID TO ANYLOGIC BY LICENSEE FOR THE LICENSE GRANTED UNDER THIS AGREEMENT. THE FOREGOING LIMITATIONS SHALL APPLY EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE AND SHALL APPLY REGARDLESS OF THE CAUSE OF ACTION UNDER WHICH SUCH DAMAGES ARE SOUGHT.

Certain states and/or jurisdictions do not allow the exclusion of implied warranties or limitation of liability for incidental, consequential, or certain other types of damages, so the exclusions set forth above may not apply to the parties hereunder.

19. Export Control

You represent and warrant that you are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a “terrorist supporting” country; and you are not listed on any U.S. Government list of prohibited or restricted parties.

20. Changes

AnyLogic reserves the right at any time to modify this Agreement and to impose new or additional terms or conditions to any use of the Software. Such modifications and additional terms and conditions will be effective immediately and incorporated into this Agreement. Licensee’s and/or End User’s continued use of the Software will be deemed acceptance thereof.

21. Publicity

Licensee agrees that AnyLogic may use Licensee’s name, logo and other identifying marks (whether or not Licensee makes them available to AnyLogic) for the purpose of identifying Licensee as an existing or past user of the Software in its promotional and marketing materials, including on the AnyLogic website.

22. Miscellaneous

- a. **Relationship of the Parties.** Licensee and End Users acknowledge that their business is separate and apart from the AnyLogic's business. Nothing contained in this Agreement may be deemed to create the relationships of employer and employee, master and servant, franchisor and franchisee, partnership or joint venture between the parties.
- b. **Applicability of Terms to End Users.** This Agreement generally applies to both Licensee and to End Users. However, while all terms apply to Licensee (except where specifically noted), not

all terms are applicable to End Users. For the avoidance of doubt, the following terms of this Agreement do not apply to End Users: Sections 2.a, 5, 6, and 21.

- c. **Further Assurances.** Each party shall take such action (including, but not limited to, the execution, acknowledgment and delivery of documents) as may reasonably be necessary for the implementation or continuing performance of this Agreement.
- d. **Notices.** All Notices and other communications hereunder will be in writing and will be deemed given when received if (i) hand delivered; (ii) transmitted by facsimile or email; or (iii) mailed by certified or registered mail, return receipt requested, or dispatched by expedited delivery service to the respective addresses as either Party may designate.
- e. **Jurisdiction; Choice of Law.** This Agreement will be governed by and construed under the laws of the United States of America and, to the extent not inconsistent therewith, the laws of the State of Illinois without regard to conflicts-of-laws principles that would require the application of any other law. Any proceeding arising out of or relating to this Agreement must be brought in the courts of Cook County, Illinois and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the proceeding will be heard and determined only in any such court and agrees not to bring any proceeding arising out of or relating to this Agreement in any other court. The parties agree that either or both of them may file a copy of this Section with any court as written evidence of the knowing, voluntary and bargained agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. In any action at law or in equity to enforce or interpret this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and necessary disbursements incurred both before and after judgment in addition to any other relief to which such party may be entitled.
- f. **Waiver; Remedies Cumulative.** Except as otherwise provided herein, the rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable law: (i) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be discharged by a party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by such party; (ii) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (iii) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement.
- g. **Entire Agreement and Modification.** This Agreement supersedes all prior agreements, whether written or oral, between the parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the

parties with respect to its subject matter. This Agreement may be amended, supplemented, or otherwise modified by AnyLogic for any future releases of the Software.

- h. **Assignments, Successors, and No Third-Party Rights.** Licensee and/or End User may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of AnyLogic. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon, and inure to the benefit of the successors and permitted assigns of the parties. Nothing expressed or referred to in this Agreement will be construed to give any person other than the parties to this Agreement any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement, except such rights as will inure to a successor or permitted assignee pursuant to this Section.
- i. **Costs, Expenses and Attorneys' Fees.** Licensee shall reimburse AnyLogic for all reasonable costs (including attorneys' fees) incurred by AnyLogic in collecting late payments from Licensee. If AnyLogic commences any action or proceeding against Licensee and/or End User to enforce or interpret this Agreement, and AnyLogic prevails, then AnyLogic shall be entitled to recover from Licensee and/or End User (in addition to any other damages), as appropriate, the actual costs, expenses and attorneys' fees (including all related costs and expenses), incurred by AnyLogic in connection with such action or proceeding and in connection with obtaining and enforcing any judgment or order thereby obtained.
- j. **Separability.** No part of the Agreement shall be construed as to create a partnership or joint venture between the parties hereto.
- k. **Severability.** If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.
- l. **Construction.** The headings of Sections in this Agreement are provided for convenience only and will not affect its construction or interpretation. Unless expressly indicated otherwise, all references to "Sections" refer to the corresponding Sections of this Agreement.
- m. **Acknowledgement.** Licensee and/or End User acknowledges that: (a) it has read and understands this Agreement; (b) it had an opportunity to have its legal counsel review this Agreement; (c) that this Agreement has the same force and effect as a signed agreement; and (d) you as the individual accepting this Agreement, on behalf of a corporation or other legal entity do personally represent that you are duly authorized to accept this Agreement on behalf of such entity and that this Agreement is binding upon such entity.
